# Summer Program

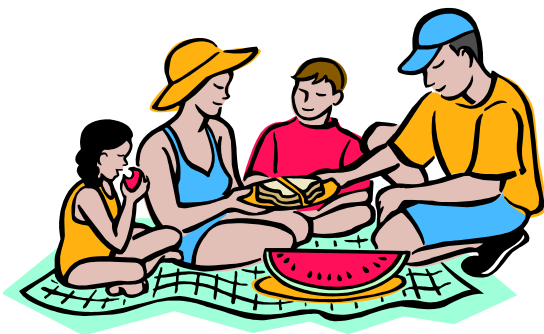

*What are your plans for Summer 2011?*

At Sprouts About there will be endless opportunities for kids to experience something new! This year, our summer theme “**Summer Adventures**” will include *real* hula dancers, an *exciting* visit from Mr. B. the karate Guy and much more

The Sprouts About summer program is your “*I’m bored*” solution!

***Flexible Summer fun!***  
***You determine the days, times and cost.***

## Summer Kickoff Party

Join us for food and fun!

Parents and children are invited to our summer kick off party

**Saturday, June 4**

**11am-2pm**

**Sprouts About**

Come and meet the teachers of Sprouts About. Children can participate in games, face painting, tattoos and crafts plus interact with Sprouts friends. Parents will be able to meet teachers and get details about our fun Summer program! During our Summer Kick Off Party we are hosting a **Mini March for Cystic Fibrosis**. Call for all the details. **Bring a friend and get \$5 credit on your account. If they register, you get \$10!**

**Mr. B the Karate Guy**

**June 27- July 1**

Come and learn some basic Karate skills with the whole family. What a fun way to stay fit and healthy and pick up some basic self defense skills.

## Aloha Dancers Saturday, July 23 11am

This will be 30 minute hands-on, interactive Hawaiian dance presentation. The Children will learn "hula", participate in an Hawaiian instrument band and wiggle to the drum beats of Tahiti. The beautiful, authentic and colorful costumes will captivate the kids as they learn to do the dances of Polynesia.

## Drums of the World Saturday, June 19, 11am

This educational presentation of drums will be 30 minutes in length and will feature drums from all parts of the world. Explore the continents through the many percussion sounds that can be heard. Featuring the djembe drum of Africa, the conga drum of Cuba, Maraca's from Mexico and the toere drum of Tahiti. Students will learn about children, culture and music from far away lands as we travel the world of percussion instruments
